

Royal Ontario Museum & Duke of York

Tuesday October 22nd

TOUR OVERVIEW

Things to see at the ROM
Take a deep dive into the cultural treasures of times past and present. Whether it's fashion history, pop culture, or ancient relics, ROM highlights the beauty and worldly significance of even the simplest objects.
With a carousel of new exhibitions all the time, spanning a wide range of topics like Kent Monkman's own interpretation of ROM's collection, rare wildlife photography, Canada's Atlantic whales and Ethiopian artist Elias Slime's artwork, to name a few.
ROM also offers a wide range of digital exhibitions that visitors can experience long after they've left the museum. Online exhibitions include the Blue Whale Project's bittersweet story, an exploration of the Burgess Shale, and an in-depth look at the silks of highland Madagascar.

PRICE PER PERSON: \$180 TAX INCL.
