NEWFOUNDLAND

WITH LABRADOR

12 DAY TOUR FROM CORNER BROOK TO ST. JOHN'S

Not only are the residents of Newfoundland and Labrador the first to see the sunrise in North America, they're also lucky enough to see floating icebergs, spouting whales, and plunging puffins on a regular basis. Pack your shades for the quaint lighthouses, rainbow-coloured houses, and other bright sights this tour of Newfoundland and Labrador has to offer. Witness the exceptional beauty and unique geological features of Gros Morne National Park and immerse yourself in the life of a 16th-century whaler at the Red Bay Basque Whaling Station at the National Historic Site Red Bay. A ferry crossing between Newfoundland and Labrador – plus a scenic cruise around the wondrous Witless Bay Islands – offer additional vantage points of this windswept, wondrous land. Don't forget to toast the stunning sunset with a local iceberg beer or a shot of Screech.

Advance booking available –
