Wings & Wolves at the Haliburton Wolf Centre

TOUR OVERVIEW

Discover nature's most fascinating predators on this unique and educational visit to the Haliburton Forest Wolf Centre. Begin with an engaging presentation about the resident wolf pack, learning about their behaviour and conservation while viewing them through the observatory's one-way glass. Then enjoy an up-close birds of prey demonstration featuring magnificent raptors including a Gyrfalcon, Red-tailed Hawk, Peregrine hybrid, American Kestrel, and the Harris' Hawk. A delicious included lunch completes this memorable day of wildlife and learning.
