Join us for a wonderful three-day getaway to St. Jacobs and the Waterloo Region, featuring a mix of sightseeing, local history, great food and shopping. Our plans currently include time in beautiful Elora, delicious included meals and comfortable accommodations in the Waterloo Region.

A highlight of our getaway is planned to be a full-day guided Mennonite Country experience, giving you an opportunity to discover the traditions, history and rural communities that make this region so unique. We are also planning a visit to the famous St. Jacobs Farmers' Market, with plenty of time to browse local vendors, specialty foods, crafts and more.

We're still putting the finishing touches on this exciting getaway! This is an early preview of what we are planning, and attractions, meals, entertainment, timing and other inclusions are not yet confirmed and are subject to change. Our complete itinerary and final tour details will be available in December 2026.
